Inspiration From Pastor Chris

HOW TO FULFILL YOUR PURPOSE

Your purpose is the definite reason God placed you on this earth, it is the assignment He prepared for you before you existed, and the specific work you were created to do in Christ Jesus.

> "For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them." Ephesians 2:10

Before God formed you, He knew you, and He had a definite plan. Fulfill your purpose and be what God already made you.

Your Purpose is found in Jesus Christ!

Practical Ways to Fulfil Your Purpose

- ✓ **The Word Of God**
  As you feed on the Word and mature spiritually, you'll walk in the fullness of God's purpose for your life — purpose is disclosed to a mind saturated with Scripture.
- ✓ **Praying in the Holy Ghost**
  Praying in the Holy Ghost quickens your spirit to activate your God-given purpose, giving you the right direction to follow.
- ✓ **Meditation**
  Say the Word out loud, even under your breath, until it lands and becomes a testimony in your life.

"EVERYONE ELSE SEEMS TO BE AHEAD OF ME" WHAT SHOULD I DO?

You open your phone. Someone your age just got a scholarship. Another one started a business. Another one is traveling. And you? You are lying on your bed, wondering what you are doing with your life.
If that feels familiar, you are not alone. Almost everyone feels behind at some point. The strange part is that the people you are looking at often feel behind too.

Here is why. You are comparing your behind-the-scenes with their highlights. You see their best day: the photo, the announcement, the smile. You do not see the nights they cried, the times they failed, or the things they did not post. It is like watching only the goals in a football match and forgetting the ninety minutes of running.

Furthermore, life is not one race. Think about a class of students. Some walk fast, some walk slow, and everyone is going to a different place. So who is behind whom? Nobody can say, because no one is on your road.

Some plants grow in three weeks. Others take years. Nobody laughs at a mango tree for taking longer than a tomato plant. It is just a different kind of tree, growing at its own time.

The Bible says it in one simple line:
"He hath made everything beautiful in his time." (Ecclesiastes 3:11, KJV)
Read it again slowly. His time. Your time. Not your friend's time, and not that person's time online. So what do you do when the feeling comes?
First, acknowledge that you are comparing yourself with someone else. That alone brings you to a turning point.
Second, look at your own road. Ask, "Am I better than I was last year?" Even a little bit counts.
Third, do something today that you know will help you grow for life.

Step 1: Choose a Skill

Start by writing down the things you want to achieve. Then pick the one that speaks to your heart. If you do not know what to pick, pray and ask God for direction. He will show you what to do.
Now, choose a skill you want to learn. It must be something of real value, something people need and will pay for or benefit from. Not something that will be forgotten next month. Give it time. Build on it day by day.

Then cut the distractions. Do not follow fifty pages and jump from one idea to another. Instead, find the people who are already doing great in that skill and learn from them online. Watch them, study them, and copy their good habits. Make sure what you learn fits what you are building for your life. When you do this, you know you are chasing something great.

Step 2 : Avoid Distractions

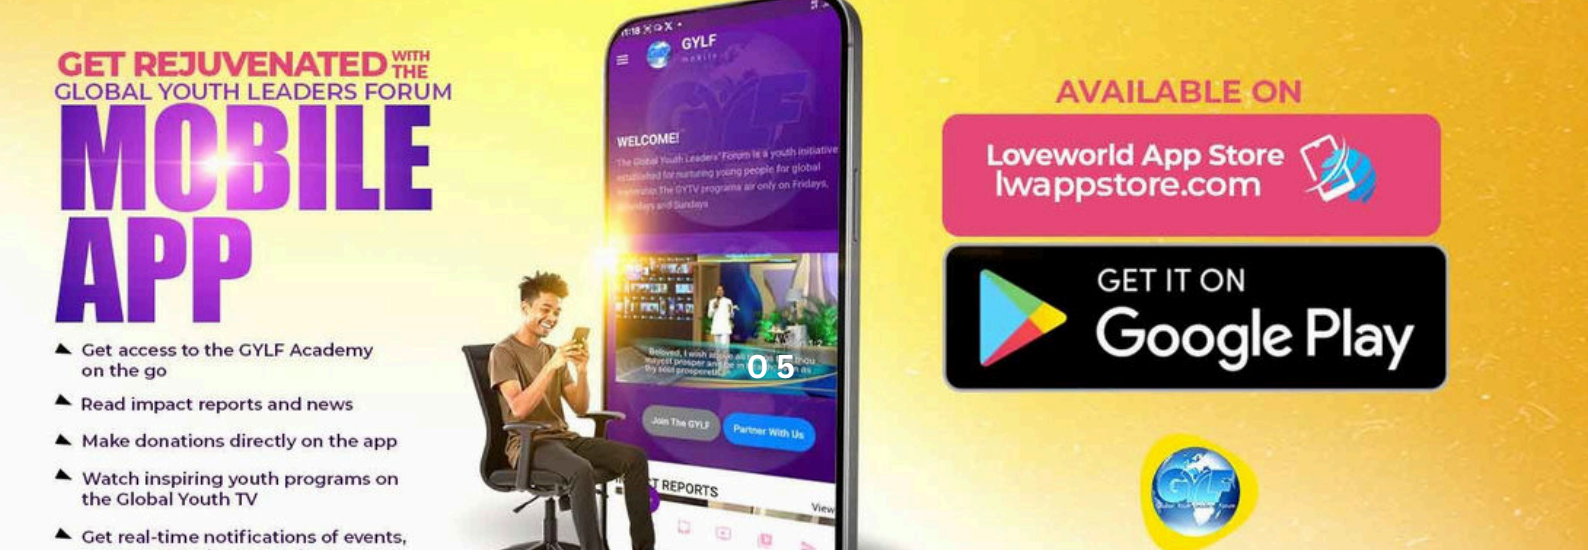

Put the noise aside. Every page, every trend, every gist that does not build you can wait.
Here is the secret. Right now, nobody is watching you. Nobody is clapping. But that is the time when great people are made. When your time comes, your results will speak, and people will be shocked at how much you grew. All that quiet time you invested will pay you back with great impact.
That is how you become a solver, someone who creates solutions, instead of a wanderer who keeps moving from one thing to another and never arrives.

Step 3: Write Down Your Goals

So here is your homework. Today, write down what you want to achieve. Pick one skill. Say a short prayer about it. Then spend thirty minutes learning it. Do that again tomorrow. Then read Ecclesiastes 3:11 out loud.
You are on your own road, and God has a time for you. Stay focused, keep building, and when your time comes, get ready to shine. God bless you.

Prayer Of Salvation

O Lord God, I believe with all my heart in Jesus Christ, Son of the living God. I believe He died for me and God raised Him from the dead. I believe He's alive today. I confess with my mouth that Jesus Christ is the Lord of my life from this day. Through Him and in His Name, I have eternal life; I'm born again. Thank you Lord for saving my soul! I'm now a child of God. Hallelujah!
